

37th  
CANADIAN MATERIALS  
SCIENCE CONFERENCE 2026

Université Laval,  
Québec City  
May 4-7, 2026

# SPONSORSHIP PLAN

CMSCconf.org

## 1. About the Conference

The **Canadian Materials Science Conference (CMSC)** is a major annual event that brings together researchers, students, industry professionals, and thought leaders in the field of materials science. In 2026, CMSC will celebrate its **37th edition**, continuing its mission to promote excellence in materials science and engineering across Canada.

The conference features high-level scientific presentations, panel discussions, workshops, industry exhibitions, and numerous networking opportunities.

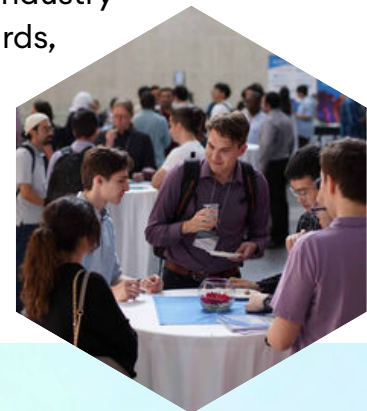

## 2. Participant Profile

- **300+** expected attendees
- National and international representation
- Academics (professors, researchers, graduate students)
- Professionals from materials, nanotechnology, and energy industries
- Government agencies and funding bodies

## 3. Goals of the Sponsorship Program

- Provide increased visibility for partner companies and institutions
- Create collaboration opportunities between academia and industry
- Support Canada's next generation of scientists (student awards, scholarships, etc.)
- Ensure the delivery of a high-quality scientific and organizational event
